SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

February 7, 2020

Sir:

Pursuant to M.P.E.P. § 609 and 37 C.F.R. §§ 1.56, 1.97-1.99, Applicants herewith submit form PTO/SB/08a, which lists references cited in the Office Action dated November 7, 2019 for the corresponding Korean patent application no. 10-2019-0117261 and Applicants are aware of for the present application.

This submission does not represent that a search has been made or that no better art exists. While the term "references" is used in citing the documents called to the Examiner's attention herein, Applicants do not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicants reserve the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

Applicants also reserve the right to present appropriate arguments and/or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicants request that the Examiner independently determine those items which the Examiner would consider the most pertinent of all the references cited herein.

This information disclosure statement is filed before the mailing of a first Office action on the merits. Thus, this Information Disclosure Statement is filed timely complying under 37 CFR 1.97(b)(3), and no fee is believed to be required. If, on the other hand, it is determined that any further fees are due or any overpayment has been made, it is hereby authorized to debit or credit such sum to Deposit Account No. 02-2275.

It is respectfully requested that the references cited in the enclosed Forms PTO/SB/08/a be considered and made of record.

Respectfully submitted,
LUCAS & MERCANTI, LLP
